Gourmet Frozen Dinners

This menu changes often, you can always find the latest version on our website above.

All dinners are the same homemade food we make and serve in the restaurant, packaged in freezable, microwavable containers. Heating instructions are printed on each dinner. Want a specific item not listed below? Ask, we can custom make just about anything you'd like.

Ideal for:

- Kids who are “starving to death” when they get home from school
- Seniors who can't get out much
- A more healthy option for lunch at work (skip the trip to fast food!)
